

## Table of Contents

1992 AAEP Officers .....	iii
Future Convention Dates and Locations .....	iii
1992 Board of Directors .....	iv
Dedication to Dr. Dan Evans .....	v
Section Chiefs for 1992 Scientific Program .....	vi
Reviewers for 1992 Scientific Program .....	vii
Policy Statement .....	vii

## LAMENESS

Racing Performance of Standardbreds Following Conservative and Surgical Treatment for Tarsocrural Osteochondrosis .....	1
<i>Elizabeth Laws, Dean Richardson, Michael Ross, William Moyer</i>	
Contribution of Microfractures to Dorsal Metacarpal Disease .....	3
<i>Susan M. Stover, R. Bruce Martin, Roy R. Pool, Kenneth T. Taylor, Teresa Harrington, and William J. Hornof</i>	
Use of Scintigraphy in the Diagnosis of Lameness .....	5
<i>Van E. Snow</i>	
Use of Deep Flexor Tenotomy in the Management of Laminitis .....	11
<i>Tracy A. Turner, Stephen E. O'Grady, and Richard S. Templeton</i>	
Osteoarthritis in the Horse: The Role of the Nervous System .....	13
<i>John P. Caron, Robert M. Bowker, D. Scott Toppin</i>	
The Usefulness and Side Effects of Intra-Articular Corticosteroids - What Do We Know? .....	21
<i>C. Wayne McIlwraith</i>	
Evaluation of Growth Elongation of the First Phalanx of the Foal and Its Relationship to the Development of the Fetlock Joint .....	31
<i>Chris Kawcak and L.R. Bramlage</i>	
Palmar Condylar Stress Fractures of the Distal Third Metacarpus .....	33
<i>C. E. Kawcak, L. R. Bramlage, and R. M. Embertson</i>	
Computer-Assisted Three-Dimensional Gait Analysis of Amphotericin-Induced Equine Carpal Lameness .....	35
<i>J.G. Peloso, J.A. Stick, R. W. Soutas-Little, J.P. Caron, C.E. DeCamp, and D.H. Leach</i>	

## **EQUINE ANESTHESIA**

- Sedation, Analgesia, and Anesthesia in Equine Practice ..... 37  
*Charles E. Short*

- Comparative Responses to Anesthesia in the Conditioned and Nonconditioned  
Standardbred ..... 51

*Charles E. Short, Robert D. Keegan, Elizabeth Sanders, Robin D. Gleed, George  
A. Maylin, and Michael G. Abdella*

- Compressed Spectral Analysis of the EEG as an Indicator of Anesthetic Quality  
During Anesthesia for Orthopedic Surgery in the Horse ..... 69

*Charles E. Short, DVM, MS, PhD, DACVA, and Peter M. Ekström*

## **EQUINE BEHAVIOR**

- Controlling Fear in the Horse ..... 81  
*James P. McCall*

- Natural Horse-Man-Ship As Applied to the Equine Practitioner ..... 85  
*Pat Parelli*

## **CONTEMPORARY ISSUES FACING EQUINE PRACTITIONERS**

- You and Your Practice Act: Are You in Compliance? ..... 87  
*Thomas H. Allison*

- Equine Euthanasia: Human-Animal Bond Aspects ..... 95  
*Elizabeth A. Lawrence*

- Equine Euthanasia ..... 105  
*Peter J. Pascoe*

- Ethics, Professional Ethics, and Veterinary Medicine ..... 113  
*Bernard Rollin*

- Unprofessional Behavior ..... 123  
*William Moyer, Bruce Rappoport, Richard H. Galley, and Malcolm J. Borthwick*

## **SURGERY**

- Surgical Technique for the Massive Cancellous Bone Grafting for the Treatment  
of End-Stage Infectious Arthritis ..... 129

*L.R. Bramlage, Sue Holcombe, and Rolf Embertson*

Loop Colostomy for Management of Rectal and Small Colon Injuries in Horses .....	133
<i>David E. Freeman, James T. Robertson, Dean W. Richardson, William J. Donawick, Eric P. Tulleners, James A. Orsini, and Gregory A. Beroza</i>	

Osteochondrosis of the Lateral Trochlear Ridge of the Equine Femoropatellar Joint: A Comparison Between Arthroscopy and Arthrotomy .....	151
<i>I.M. Wright, N.J. Vatistas, and S.J. Dyson</i>	

Use of the High-Speed Treadmill in Management of Horses with Dorsal Displacement of the Soft Palate .....	153
<i>Richard P. Hackett, Norm G. Ducharme, and Renata S. Rehder</i>	

Management of Comminuted Fractures of the Proximal Phalanx in 37 Horses .....	155
<i>Dean W. Richardson, David M. Nunamaker, and Michael W. Ross</i>	

Inferior Check Desmotomy as a Treatment for Caudal Hoof Lameness .....	157
<i>Tracy A. Turner and Diana S. Rosenstein</i>	

Clinical Uses of the Laparoscope in General Equine Practice .....	165
<i>R.M. Embertson, and L.R. Bramlage</i>	

Partial Patellectomy as a Treatment of Intra-articular Fractures of the Medial Aspect of the Patella .....	171
<i>S. Dyson, I. Wright, S. Kold, and N. Vatistas</i>	

Standing Laparoscopic Ovariectomy in the Mare .....	173
<i>Scott E. Palmer</i>	

## **PEDIATRIC HERD PROBLEMS**

A Survey of Antibody Titers to Rotavirus in Acute and Convalescent Serum of Infected Foals .....	175
<i>Roberta M. Dwyer, Fernando Fernandez, Kathy Gadfield, and Linda J. Saif</i>	

Approach to Foal Diarrheas .....	177
<i>T. Douglas Byars</i>	

Another View of Approaching a Herd Problem of Foal Diarrhea .....	183
<i>Bradford P. Smith</i>	

Clinical Endoscopic Study of Lower Respiratory-Tract Infections in Foals on Ontario Breeding Farms .....	191
<i>A. M. Hoffman, L. Viel and J. F. Prescott</i>	

Methods of Implementation of a Immunoprophylaxis Program for the Prevention of <i>Rhodococcus equi</i> Pneumonia: Results of a 5-Year Field Study .....	193
<i>Noel S. Muller and John E. Madigan</i>	

Foal Pneumonia: An Overview .....	203
<i>W. David Wilson</i>	

Respiratory Diseases in Foals: Diagnostic Tools for the Equine Practitioner Approaching a Herd Problem .....	231
<i>Corinne R. Sweeney and Pamela A. Wilkins</i>	

Outbreak of Septicemia in Colostrum-Deprived Foals .....	237
<i>Julie A. Robinson, Gary K. Allen, Eleanor M. Green, William H. Fales, Wayne E. Loch, and Christina G. Wilkerson</i>	

Investigation of Farmwide Incidence of Bone-Formation Problems in the Horse .....	239
<i>L. R. Bramlage</i>	

Observations on the Management of Developmental Orthopedic Diseases in Foals .....	247
<i>Midge Leitch</i>	

## DIAGNOSTIC IMAGING

Equine Tendon and Ligament Sonography: Current Concepts and Future Directions .....	253
<i>Andrew K. W. Wood, Marcia Polansky, Harold L. Kundel, Virginia Reef, and Chandra M. Sehgal</i>	

Sonographic Response to Intralesional Therapy With Beta-Aminopropionitrile Fumarate for Clinical Tendon Injuries in Horses .....	265
<i>R. L. Genovese</i>	

Experience with Ultrasound-Guided Tendon Puncture or Splitting .....	273
<i>A. Kent Allen</i>	

Comparison of Clinical, Ultrasonographic, and Histologic Analyses of the Response of Equine Superficial Digital Flexor Tendons to Race Training .....	279
<i>Carol L. Gillis, Dennis M. Meagher, Roy R. Pool, and Susan M. Stover</i>	

Incomplete Fractures of the Proximal Tibia .....	281
<i>Timothy R. O'Brien and Sue Stover</i>	

Characterization of Osseous Bodies of the Distal Phalanx of Foals .....	283
<i>A.J. Kaneps, T.R. O'Brien, R.F. Redden, S.M. Stover, R.R. Pool</i>	

## **GENERAL PRACTICE**

Urinary Tract Endoscopy of Horses .....	285
<i>Joseph J. Bertone</i>	

Adult-Onset Narcolepsy in the Horse .....	289
<i>Melissa Trogdon Hines, Harold C. Schott II, and Barbara A. Byrne</i>	

Effect of High-dose Oxytetracycline on Renal Parameters in Neonatal Foals .....	297
<i>Andrea K. Wright, Lyall Petrie, Mark G. Papich, and Peter B. Fretz</i>	

Equine Tetanus: a Review of the Clinical Features and Current Perspectives on Treatment and Prophylaxis .....	299
<i>Sherril L. Green</i>	

Practical Aspects of the Use of Ceftiofur Sodium in the Treatment of Equine Respiratory Infections .....	307
<i>Jonathan H. Foreman</i>	

Moxidectin Gel: A New Equine Endectocide .....	311
<i>J.A. DiPietro, A.J. Paul, K.M. Ewert, K.S. Todd, Jr., T.F. Lock, and R. Aguilar</i>	

Prepurchase Evaluation of 134 Horses .....	317
<i>A.J. Dart, J.R. Snyder, J.R. Pascoe, D.M. Meagher, and W.D. Wilson</i>	

Retrospective Analysis of Extensor Tendon Lacerations in Horses .....	319
<i>Gary M. Baxter, James K. Belknap, and Frank A. Nickels</i>	

Pre- and Postsale Endoscopic Evaluation .....	321
<i>Jerry H. Johnson and J. Fred Arnold</i>	

Endodontic Therapy in the Horse .....	329
<i>Gordon J. Baker and Khristina D. Kirkland</i>	

## **PRACTICE TOPICS**

Backs, Performance, and Acupuncture .....	339
<i>Joyce C. Harman</i>	

Diagnosis and Surgical Treatment of Traumatic Bicipital Bursitis in the Horse .....	349
<i>Barrie D. Grant, P. Robin Peterson, Andrea Bohn, and Norman W. Rantanen</i>	

Percutaneous Ultrasonographic Diagnosis of Suspected Acquired Inguinal and Scrotal Herniation in Horses .....	357
<i>James T. Blackford, Robert L. Toal, Federico G. Latimer, and LeeAnn W. Blackford</i>	

18° Elevation of the Heel as An Aid to Treating Acute and Chronic Laminitis in the Equine .....	375
<i>R. F. Redden</i>	

Practical Methods of Disinfection and Management During Outbreaks of Infectious Disease .....	381
<i>Roberta M. Dwyer</i>	

The Use of Hoof Measurements for the Objective Assessment of Hoof Balance .....	389
<i>Tracy A. Turner</i>	

Survey Radiographic Findings In Thoroughbred Sales Yearlings .....	397
<i>Bruce A. Howard, Rolf M. Embertson, Norman W. Rantanen, and L. R. Bramlage</i>	

Conditioning Sport Horses .....	403
<i>Hilary M. Clayton</i>	

Diagonal Imbalance of the Equine Foot: A Cause of Lameness .....	413
<i>Barbara Page and Glenn F. Anderson</i>	

Management of Proximal Splint-Bone Injuries in Horses .....	419
<i>Gary M. Baxter</i>	

Palmar Digital Neurectomy: An Alternative Surgical Approach .....	429
<i>Jerry B. Black</i>	

Etiology and Treatment of Idiopathic Colitis—Recent Studies .....	433
<i>Henry R. Staempfli, John F. Prescott, and Robert J. Carman</i>	
Association of Signalment and Management Factors with Causes for Colic in Horses .....	441
<i>Debra Deem Morris, Natalie Crowe, Kristina Johnson, and James N. Moore</i>	
Real-Time Thermography: A Diagnostic Tool for the Equine Practitioner .	455
<i>James K. Waldsmith</i>	
Ultrasound Diagnosis of Renosplenic Entrapment .....	467
<i>E.M. Santschi, D.E. Slone, and W.M. Frank</i>	
Field Method for Determining the Weight of a Foal .....	469
<i>Richard L. Asquith, Jan Kivipello, Edgar A. Ott, and Edward L. Johnson</i>	
Use of a Linear Compression Pump to Control Distal Limb Edema .....	475
<i>David W. Ramey</i>	
The Ecological Implications of Ivermectin Use in the Horse .....	483
<i>Kathleen M. Ewert, Joseph A. DiPietro, and May R. Berenbaum</i>	
Tips for Assessment of the Respiratory Tract: Percussion of the Upper and Lower Respiratory Tracts and Guttural Pouch Catheterization .....	489
<i>Julia H. Wilson</i>	
Defining, Localizing, and Diagnosing Problems of the Nervous System .....	495
<i>Frank M. Andrews and Hilary K. Matthews</i>	
Bullous Autoimmune Skin Diseases: Diagnosis, Therapy, Prognosis .....	507
<i>Susan L. White</i>	
Effects of an <i>Escherichia coli</i> Antiserum in Preventing Foal Diarrhea and Septicemia .....	515
<i>David Ellefson and Ralph Pierce</i>	
Controlled Substance Use in Veterinary Medicine .....	521
<i>John P. Mudri</i>	

## **ANIMAL WELFARE**

- Comments on Animal Welfare, Animal Rights and Horses ..... 525  
*W. A. Cowan*

### **Resolution of Equine Neglect or Abuse:**

- The Equine Practitioner's Role ..... 527  
*Matthew P. Mackay-Smith*

### **Inhumane Training Practices seen in the Quarter Horse Industry:**

- How to Recognize Them ..... 533  
*Gary Griffith*

- Health Problems and Health Regulation of Urban Carriage Horses ..... 537  
*Jay L. Baldwin and Martin B. Kurtz*

### **The Tennessee Walking Horse and the Horse Protection Act:**

- 20 Years Later ..... 547  
*Jerry H. Johnson*

- Summary of Issues From An Ethical Perspective ..... 549  
*Bernard E. Rollin*

## **MEDICINE**

- Equine Motor Neuron Disease in 17 Horses (1990-1992) ..... 553  
*T. J. Divers, H. O. Mohammed, J. F. Cummings, B. A. Valentine, A. deLahunta, B. A. Summers, B. J. Cooper, and K. Trembicki-Graves*

- Equine Protozoal Myeloencephalitis: Antemortem Diagnosis Using Immunoblot Analysis and dot-blot ELISA ..... 555  
*D. E. Granstrom, J. P. Dubey, S. W. Davis, R. C. Giles, S. M. Reed, D. T. Byars, W. V. Bernard, P. F. Comer, and D. M. Neely*

### **Gastric Ulceration in Horses: Pathologic and**

- Therapeutic Considerations ..... 557  
*Michael J. Murray*

### **Evidence for Fetal Infectivity and Abortion Caused**

- by *Ehrlichia Risticii* ..... 571  
*Maureen T. Long, Thomas E. Goetz, Ibulaimu Kakoma, Herbert E. Whiteley, and Theodore Lock*

Antioxidants: Diseases Associated with Deficiencies and Therapeutic usages in Equine Practice .....	579
---	-----

*A. Morrie Craig and Linda L. Blythe*

Fumonisin Mycotoxins and Equine Leukoencephalomalacia: An Overview	581
--	-----

*T.M. Wilson, P.F. Ross, and P.E. Nelson*

Hyperkalemic Periodic Paralysis: An Autosomal Dominant Heritable Disease of Horses .....	583
--	-----

*Sharon J. Spier, Gary P. Carlson, Eric Hoffman, Doris Harrold, Ann Bowling, Glen Byrns, and Domenico Bernoco*

## **REPRODUCTION**

Equine Granulosa Cell Tumors .....	587
------------------------------------	-----

*Patrick M. McCue*

Pathogenesis and Treatment of Chronic Uterine Infection .....	595
---	-----

*Mats H.T. Troedsson, Mary A. Scott, and Irwin K.M. Liu*

Pseudomonas Aeruginosa—Somatic Typing of Genital Tract Isolates and Colonization of the Stallion Penis: Significance, Diagnosis, and Treatment	601
--	-----

*R.M. Kenney, M.R. Cummings, C.H. Zierdt, and N. Umphenour*

Pregnancy Rates after Collection and Shipment of Equine Embryos (1988-1991) .....	609
---	-----

*E.L. Squires, V.M. Cook, D.J. Jasko, and S.F. Tarr*

Sedation and Anesthesia of the Mare During Obstetric Manipulation .....	619
---	-----

*Michelle M. LeBlanc and Wendy M. Norman*

Selected Topics in Equine Obstetrics .....	623
--	-----

*M.M. Vanderplassche*

Factors Affecting the Success of Artificial Insemination with Cooled, Transported Semen .....	629
---	-----

*Paul R. Loomis*

Pregnancy Rates Utilizing Fresh, Cooled, and Frozen-Thawed Stallion Semen .....	649
---	-----

*David J. Jasko, Diane M. Moran, Meg E. Farlin, Edward L. Squires, Rupert P. Amann, and B.W. Pickett*

Obstetrical Complications in the Mare .....	661
<i>Peter F. Daels</i>	

## **PRACTICAL EQUINE NUTRITION**

Elements of Nutrition: A Primer for Practitioners .....	669
<i>Donald R. Kapper</i>	

Meeting Nutritional Needs .....	681
<i>George D. Mundy</i>	

Therapeutic Nutrition for Specific Syndromes .....	693
<i>Sarah L. Ralston</i>	

## **PRACTICE MANAGEMENT**

Psychology Relating to Veterinarians and Clients: Marketing, Morale, and Motivation .....	699
<i>Donald L. Annis</i>	

Psychology Relating to Employees and Colleagues: Alcohol and Drug Use ..	703
<i>Donald L. Annis</i>	

Break-Even Analysis: A Tool for Capital Investment .....	707
<i>Scott E. Palmer</i>	

Buying In? Hiring an Associate? Considerations for Men and Women Contemplating the Plunge .....	713
<i>Helen M. Poland</i>	

Methods of Improving the Financial Health of Your Practice Through Time-Efficient Practice Management and Alternate Sources of Income .....	719
<i>David E. Catlin</i>	

## **POSTER PRESENTATIONS**

Effect of Vehicle and Application Site on Absorption of Chemicals Through Equine Skin .....	725
<i>David G. Bristol, Jim E. Riviere, Nancy A. Monteiro-Riviere, James D. Brooks, and Richard A. Rogers</i>	

Concentrations of Antibiotics in Mares, Foals, and Fetal Fluids After Antibiotic Administration During Late Pregnancy .....	727
<i>P. L. Sertich and Wendy E. Vaala</i>	

Reversal of Furosemide-Induced Hemodynamic Effects During Exercise by Cyclooxygenase Inhibitors .....	735
<i>Howard H. Erickson, Steven C. Olsen, Blane S. Lowe, Nicolas Pelletier, and Cody P. Coyne</i>	
Cerebrospinal Fluid Cytological Examination as an Aid in the Diagnosis and Prognosis of Cervical Cord Myelopathy .....	737
<i>Barrie Grant, Jeffie Roszel, Robin Peterson, and Elias Perris</i>	
Gastric pH in Suckling Foals: A Window of Opportunity for Ulcer Formation? .....	743
<i>Simon J. Baker</i>	
Oxytetracycline Decreases Fetlock Joint Angles in Newborn Foals .....	745
<i>John B. Madison, Jenifer L. Garber, Brett Rice, Annette Stumpf, and Edgar A. Ott</i>	
Cytologic Evaluation of Peritoneal Fluid for the Equine Practitioner .....	747
<i>Judith E. Saik</i>	
Stabilization of Metacarpal Condylar and First Phalangeal Fractures in the Equine by Using the External Compression Casting Boot .....	755
<i>Toots A. Banner</i>	
Use of Human Chorionic Gonadotropin in the Broodmare .....	761
<i>Walter R. Threlfall</i>
